A copy of company's valid business license is also required. TNC drivers must provide a copy of a City of Pasco endorsed business license.

11. If a for hire company has a pre-scheduled pick up, that for hire company vehicle must wait for the customer in the short-term parking lot.
12. Passengers maintain the right to choose what for hire company to use, regardless of which one is first in line. Passengers also have a right to know the fares before entering a for hire vehicle.
13. Stopping or parking in a marked lane of travel is prohibited. There will be no double parking allowed at any time.
14. The Port reserves the right to suspend or deny the privilege of conducting business at the Airport if it is found that any violation of this agreement has occurred. This verbal and written notification will specify the details of why the sanction(s) is occurring and what the sanction(s) is. Also, if further violations occur during the sanctioning period, it will result in additional sanctions being added, including the termination of the for-hire driver and/or the for-hire company's agreement to operate at the Airport.
